INDEPENDENT AUDITOR'S REPORT

To the Directors of South Okanagan Women In Need Society

We have audited the accompanying financial statements of South Okanagan Women In Need Society, which comprise the statement of financial position as at March 31, 2018 and the statements of operations, changes in net assets and cash flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

In common with many not-for-profit organizations, South Okanagan Women In Need Society derives revenue from fundraising activities the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of South Okanagan Women In Need Society. Therefore, consistent with the prior year, we were not able to determine whether any adjustments might be necessary to fundraising revenue, excess of revenues over expenses, and cash flows from operations for the year ended March 31, 2018, current assets and net assets as at March 31, 2018.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of South Okanagan Women In Need Society as at March 31, 2018 and the results of its operations and its cash flow for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

The financial statements for the year ended March 31, 2017 were audited by another accounting firm and are presented for comparative purposes only.

Report on Other Legal and Regulatory Requirements

As required by the Societies Act of British Columbia, we report that, in our opinion, the accounting principles have been applied on a basis consistent with that of the preceding year.

The signature of Grant Thornton LLP is written in a cursive, handwritten style.

SOUTH OKANAGAN WOMEN IN NEED SOCIETY

Notes to Financial Statements

Year Ended March 31, 2018

1. BASIS OF PRESENTATION

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNFPO).

2. PURPOSE OF THE SOCIETY

South Okanagan Women In Need Society (the "Society") is a not-for-profit organization incorporated provincially under the Society Act of British Columbia. As a registered charity, the Society is exempt from the payment of income tax under Section 149(1) of the Income Tax Act.

The Society works to prevent abuse and increase awareness about the impacts of abuse within the South Okanagan so that all individuals have the ability to make choices to live a safe and healthy life. Through creating dynamic, life-changing opportunities for empowerment of individuals and families, the Society supports individual's physical, mental, emotional and financial wellness. The purpose of the Society is to provide transitional housing, counselling, support, information and education to women and children who have experienced abuse in their primary relationships, criminal harassment, sexual assault or other crisis situations. As well, the Society seeks to provide safe, affordable housing and to promote awareness of and to work to eradicate violence against women and children in the South Okanagan.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Financial instruments policy

The Society considers any contract creating a financial asset, liability or equity instrument as a financial instrument, except in certain limited circumstances. The Society accounts for the following as financial instruments:

- Cash
- Term deposits
- Accounts receivable
- Long term investment
- Accounts payable and accrued liabilities
- Long term debt

A financial assets or liability is recognized when the Society becomes party to contractual provisions of the instrument.

Measurement

The Society initially measures its financial assets and financial liabilities at fair value, except for certain non-arm's length transactions. Financial assets and financial liabilities, which are not subsequently measured at fair value, are initially adjusted for transaction costs and financing fees directly attributable to their origination, acquisition, issuance or assumption. All other transaction costs are recognized in net income in the period incurred.

Financial assets or liabilities obtained in related party transactions are measured in accordance with the accounting policy for related party transactions except for those transactions that are with a person or entity whose sole relationship with the Society is in the capacity of management in which case they are accounted for in accordance with accounting policies for financial instruments.

The Society subsequently measures all of its financial assets and financial liabilities at cost or amortized cost less any reduction for impairment, except for investments in equity instruments that are quoted in an active market, which are measured at fair value; derivative contracts, which are measured at fair value; and certain financial assets and financial liabilities which the Society has elected to measure at fair value. Changes in fair value are recognized in net income.

Financial assets measured at cost or amortized cost less any reduction for impairment include cash, term deposits, accounts receivables and long term investments.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities and long term debt.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Financing fees and transaction costs related to the origination, acquisition, issuance or assumption of financial assets and financial liabilities, subsequently measured at cost or amortized cost, are included as part of the adjusted fair value of the financial asset or financial liability on initial measurement. Subsequent to initial measurement the fees and costs are amortized into net income on a straight-line basis over the term of the related debt. All other transaction costs are recognized in net income in the period incurred.

The Society removes financial liabilities, or a portion thereof, when the obligation is discharged, cancelled or expires.

A financial asset (or group of similar financial assets) measured at cost or amortized cost are tested for impairment when there are indicators of impairment. Impairment losses are recognized in the statement of operations. Previously recognized impairment losses are reversed to the extent of the improvement provided the asset is not carried at an amount, at the date of the reversal, greater than the amount that would have been the carrying amount had no impairment loss been recognized previously. The amounts of any write-downs or reversals are recognized in net income.

Goods and Services Tax

GST on costs incurred for materials and services are recoverable at 50% as a rebate. The unrecoverable portion is recorded as an expense with the rebate treated as a receivable.

Tangible capital assets

Tangible capital assets are stated at cost less accumulated amortization. Tangible capital assets are amortized over their estimated useful lives at the following rates and methods:

Buildings	4%	declining balance method
Furniture and fixtures	20%	declining balance method
Equipment	20%	declining balance method
Computer equipment	30%	declining balance method
Motor vehicles	30%	declining balance method
Computer software	100%	declining balance method
Leasehold improvements	5 years	straight-line method
Motor vehicle under lease	10 years	straight-line method

In the year of acquisition, a full year of amortization is taken, and no amortization is taken in the year of disposition. Amortization expense is reported in the capital asset fund.

Tangible capital assets are reviewed for impairment whenever events or changes in the circumstances indicate that the carrying value may not be recoverable. If the total of the estimated undiscounted future cash flows is less than the carrying value of the asset, an impairment loss is recognized for the excess of the carrying value over the fair value of the asset during the year the impairment occurs.

Tangible capital assets acquired during the year but not placed into use are not amortized until they are placed into use.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Impairment of Long Lived Assets

The society tests for impairment whenever events or changes in circumstances indicate that the carrying amount of the assets may not be recoverable. Recoverability is assessed by comparing the carrying amount to the projected future net cash flows the long-lived assets are expected to generate through their direct use and eventual disposition. When a test for impairment indicates that the carrying amount of an asset is not recoverable, an impairment loss is recognized to the extent the carrying value exceeds its fair value.

Net assets

Net assets invested in tangible capital assets represents the Society's net investment in tangible capital assets which is comprised of the unamortized amount of tangible capital assets purchased with restricted and unrestricted funds less any debt or deferred capital contributions. The fund reports the assets, liabilities, revenues, and expenses related to the Society's capital assets and building improvements campaign.

Internally restricted net assets are funds which have been designated for a specific purpose by the Society's Board of Directors. These are funds typically allocated for contingencies such as major repairs to property or unplanned delays in funding.

Unrestricted net assets comprise the excess of revenue over expenses accumulated by the Society each year, not of transfers, and are available for general purposes typically related to program delivery and administrative activities.

Revenue recognition

The Society follows the deferral method of accounting for contributions.

Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Contributed materials and services are recorded in the financial statements when the fair value of those materials and services can be reasonably estimated.

Seminar fees are recognized as revenue when the seminars are held.

Allocation of administration

The Society manages various programs. The Society identifies and allocates a portion of the administration costs to the management of these programs, on an established basis. The program management expenses are then allocated to the various projects consistently based on an established percentage or rate.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Use of estimates

Management reviews the carrying amounts of items in the financial statements at each reporting date to assess the need for revision or any possibility of impairment. Many items in the preparation of these financial statements require management's best estimate. Management determines these estimates based on assumptions that reflect the most probable set of economic conditions and planned courses of action.

These estimates are reviewed periodically and adjustments are made to net income as appropriate in the year they become known.

Items subject to significant management estimates include tangible capital assets useful lives and amortization rates.

4. FINANCIAL INSTRUMENTS

The society is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the society's risk exposure and concentration as of March 31, 2018.

Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Society is exposed to this risk mainly in respect of its receipt of funds from sources, long-term debt, obligations under capital leases and accounts payable.

Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. In seeking to minimize the risks from interest rate fluctuations, the society manages exposure through its normal operating and financing activities. The Society is exposed to interest rate risk primarily through credit facilities.

Unless otherwise noted, it is management's opinion that the Society is not exposed to significant other price risks arising from these financial instruments.

5. TERM DEPOSIT

In January 2018, the Society took out redeemable term deposits which have a rate of return of 0.65% and are set to mature after 18 months.
